

# MEDICARE NEWSLETTER

Calls after hours go directly to Selly's cell phone. Calls will be returned in 24 hours or less.

If you are satisfied with the service we would love it, if you could leave a review on our website.

Check the website for all updates and for scheduling your own appointment. Or call 203-718-3288.

The minimum Part B premium for 2023 is: \$164.90

The Part D deductible for 2023: \$505 \*

\*for most plans, it may be lower

**\$35 Insulins:**

Not all companies offer the same insulins and not all insulins are covered by the insurance company.

**Understanding your Dental Benefits:**

Most plans only cover preventative dental work. If you have questions about your dental benefit and what you are entitled to, reach out to our office today.

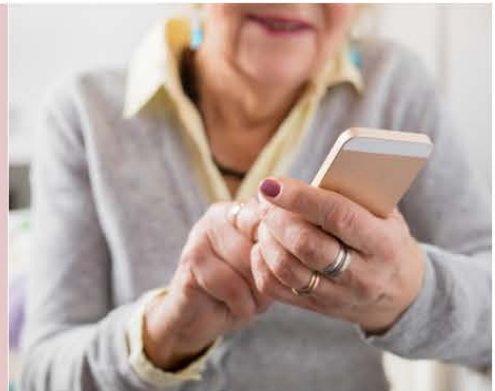

**New for 2023:**

Most insurance companies have new, all-in-one cards for your Medicare Advantage benefits! Find your medical, prescription, vision, dental & OTC\* benefits all in the same place.

\*not all plans offer an OTC benefit.

Join us in office for a class on how to use your insurance plans Mobile App. We can help you set up your app and show you how to maneuver it. Call the office if you have an interest.
